	<p>Committee, following the above resignation.</p> <ul style="list-style-type: none"> • Cllr Rouse asked those in attendance to volunteer to fill the gaps in the Spotlight office rota. <p>Amport Road play area – Cllr Rouse shared the following update from BDBC:</p> <p><i>Croudace have confirmed that they hadn't started organising the community consultation event in relation to the play area before lockdown then occurred. Obviously now face to face consultation on such proposals is now discouraged and the government is providing advice on how such consultation may be carried out virtually given the current situation. As a result, Croudace now plan to carry out the community engagement electronically with a website set up to show the proposals and seek feedback. They anticipate the website will be live by the end of the month. They will also be carrying out a mailshot to the local residents.</i></p> <ul style="list-style-type: none"> • The agreed new refuse bin for the green space at the end of Chilworth Way is still on order. • Replacements for the red bins have been ordered by BDBC for the football field, installation date to be confirmed. SPCA UPDATE

The centre is currently closed until 31st August. This is being reviewed as guidelines change. Management and trustees are working on implementing procedures to ensure the safety of customers and staff once we are in a position to open again.

Bollards have been fitted this week so we can close the carpark overnight

Centre redecoration is nearly complete

CHINEHAM MEDICAL PRACTICE PATIENT PARTICIPATION GROUP

Dr Tim Cooper discussed current arrangements and planning for the autumn. He also talked about the proposed move to Chineham Shopping Centre.

Practice update - GP workload has returned to pre-coronavirus levels. However this workload is more manageable for the practice because 95% of patient consultations at the practice are held remotely. There are no pre-bookable appointments. Requests for GP contact are triaged and on duty GPs work through the list on a daily basis. Specialist GPs are offering their specialities on specific days.

Use of e-consult has risen by 30% with people submitting medical information, for example blood pressure checks or photos of skin lesions, by text or email.

Although coronavirus levels are low, a large number of people with the virus are asymptomatic, so GPs must avoid face to face contact where possible. The practice building has been split into Red and Green zones, with the Red zone deep cleaned daily. The waiting room is not in use.

GPs are not allowed home visits unless for palliative care. They are planning, as a GP system, to re-start home visits for acute care cases. People with suspected coronavirus are checked at a “coronavirus site” at the practice in Hartley Whitney. Chineham GPs are part of the rota there. Working in GP clusters is continuing with 3 pilots underway to share services across the 3 practices.

Planning for the autumn - Dr Cooper said that the challenge is to address all the things which have been left behind during the Coronavirus lockdown, while planning for the autumn. The NHS system is working on the strong assumption there will be a second covid-19 peak in the autumn, following the path of previous similar pandemics.

New practice premises - The planning application for the proposed redeveloped Chineham Shopping Centre was considered at the borough’s Development Committee last week. The application was delayed for up to two months to enable more detail to be provided on climate emergency measures and some issues around disabled access/parking.

The local health system commissioners are concerned about the cost of the medical centre at the proposed development, however all stakeholders remain positive that the funding will be found. The coronavirus pandemic has shown that larger premises will enable to practice to work much more effectively, delivering safer and a wider range of services in the extra space.

The best timeline possible, should it go ahead, would be ‘breaking ground’ in March 2021, a 12 month build and 6 month ‘fit out’. That means October 2022 is the earliest the practice is likely to move. The practice will put out a statement when/if it is formally agreed to go ahead with the move to the shopping centre.
