County Council’s first Climate Change Annual Report published

As COP-26 conference begins in Glasgow, Hampshire County Council has issued a detailed overview of its work towards tackling climate change, covering the 12 month period since the launch of its Climate Change Strategy. This first Climate Change Annual Progress Report 2020 – 2021 sets out the significant progress that is being made across the county to reduce carbon emissions and ensure that Hampshire is prepared for the impacts of climate change. The work is focused on key areas like reducing emissions from transport, making homes more energy efficient, generating local renewable energy and protecting and enhancing our natural environment.

The report makes it clear that Hampshire’s residents and communities have a vital role in reducing emissions and preparing for the impacts of climate change in their own homes and through lifestyle choices. Multiple projects have therefore been set up to support communities to be active at a local level.

Among the projects featured is The Greening Campaign which has provided support and advice to 40 Hampshire communities, despite COVID-19, to work through a step-by-step process of reducing their carbon footprint. The first steps include taking very simple actions at a household level, such as reducing how much energy and water they use and to be more energy efficient.

At another level the focus is on actions to generate more local renewable energy. Together with iChoosr, in March 2021, the County Council launched the first Solar Together Campaign in Hampshire – a scheme that offers high-quality solar photovoltaic (PV) panels and battery storage to help residents generate their own green energy - maximising on bulk buying power to offer competitive prices for the purchase of panels. The County Council is also working with Community Energy South to build a network of community energy projects around the county.

Additionally, in supporting households to reduce transport emissions, the County Council secured Government funding for the installation of 50 on-street residential electric vehicle charge points (in Winchester and Eastleigh) and there are plans to extend this wider.

The Annual Report also highlights the critical role the natural environment plays in helping alleviate the impacts of climate change and how investing in initiatives like tree planting (over 1,250 trees during the past 12 months) and the Parish Pollinator Project to make improvements to pollinator habitats in Hampshire’s towns and villages, are essential.

In a separate initiative, Hampshire County Council is offering grants to make community buildings more energy efficient as part of its commitment to combatting climate change. Measures that could be funded include solar panels, LED lighting, window replacements or insulation for buildings such as village halls and community centres. Applications are welcome from parish or town councils as well as community groups in unparished areas of Hampshire. Boost your immunity this winter

Hampshire County Council is backing the NHS call for everyone to ‘Boost your immunity this winter’ by getting the COVID-19 booster and ‘flu vaccine. With COVID-19 infection rates continuing to rise across the county, eligible residents are being urged to get their booster and ‘flu jabs as soon as possible.

Free flu jabs are available to adults over 50, anyone with a long-term health condition, healthcare workers and carers, most children aged 2-16 years and pregnant women. A free COVID-19 booster is available to

Signed by Chair.....

adults over 50, carers and health and social care workers, anyone living and working in care homes, people with certain health conditions and people who live with someone who is immunocompromised.

Residents eligible for the COVID-19 booster will be contacted by the NHS – if anyone has not been contacted within a week of reaching six months since their second jab they can call 119 or [book online via the NHS National Booking Service](#). Those who are eligible for a free 'flu vaccine can book an appointment through their GP surgery or local pharmacy. It is not too late to book a first or second dose of the COVID-19 vaccination: [anyone aged 16+ can book the vaccine through the National Booking System on the NHS website](#), go to a [walk-in clinic](#) or contact their GP surgery.

Support for Hampshire's children

Hampshire's eligible vulnerable children received food vouchers this October half term, thanks to further funding provided to the County Council by the Department for Work and Pensions (DWP). £591,810 of funding was granted by Hampshire County Council to schools, colleges and early years settings for the purchase of one £15 voucher per child for the one-week October half term holiday.

Hampshire County Council is also encouraging parents and carers whose children are or may be eligible for benefits related free school meals to sign-up for free holiday and food scheme spaces over the Christmas and Easter holidays. More than 10,000 Hampshire children benefited from free places during this year's summer holiday. Parents and carers can [sign up](#) for free school meals using the [Hampshire Online FSM Application \(cloudforedu.org.uk\)](#) and find out what activities are offer in their area by searching the [Family Information and Services Hub](#).

Bus Service Improvement Plan

Hampshire County Council has reached the next important milestone in meeting the ambitions of the Government's 'Bus Back Better' strategy – aimed at driving significant improvements in local bus services (outside of London) - with the approval of its [proposed Bus Service Improvement Plan \(BSIP\)](#). This sets out the vision and the proposed steps that would be taken to achieve higher standards in bus travel in Hampshire. Hampshire's BSIP aims to be a catalyst for substantially increasing bus use across the whole of the county by creating the conditions that will both attract investment for bus services and infrastructure, as well as grow the number of passengers. A consultation exercise on the proposed BSIP will now be undertaken.

INTRODUCTION

Standing orders are the written rules of a local council. Standing orders are essential to regulate the proceedings of a meeting. A council may also use standing orders to confirm or refer to various internal organisational and administrative arrangements. The standing orders of a council are not the same as the policies of a council but standing orders may refer to them.

Local councils operate within a wide statutory framework. NALC model standing orders incorporate and reference many statutory requirements to which councils are subject. It is not possible for the model standing orders to contain or reference all the statutory or legal requirements which apply to local councils. For example, it is not practical for model standing orders to document all obligations under data protection legislation. The statutory requirements to which a council is subject apply whether or not they are incorporated in a council's standing orders.

The model standing orders do not include model financial regulations. Financial regulations are standing orders to regulate and control the financial affairs and accounting procedures of a local council. The financial regulations, as opposed to the standing orders of a council, include most of the requirements relevant to the council's Responsible Financial Officer. Model financial regulations are available to councils in membership of NALC.

DRAFTING NOTES

Model standing orders that are in bold type contain legal and statutory requirements. It is recommended that councils adopt them without changing them or their meaning. Model standing orders not in bold are designed to help councils operate effectively but they do not contain statutory requirements so they may be adopted as drafted or amended to suit a council's needs. It is NALC's view that all model standing orders will generally be suitable for councils.

1. **RULES OF DEBATE AT MEETINGS**

- a Motions on the agenda shall be considered in the order that they appear unless the order is changed at the discretion of the chairman of the meeting.
- b A motion (including an amendment) shall not be progressed unless it has been moved and seconded.

- e An amendment is a proposal to remove or add words to a motion. It shall not negate the motion.
- f If an amendment to the original motion is carried, the original motion (as amended) becomes the substantive motion upon which further amendment(s) may be moved.
- g An amendment shall not be considered unless early verbal notice of it is given at the meeting and, if requested by the chairman of the meeting, is expressed in writing to the chairman.
- h A councillor may move an amendment to his own motion if agreed by the meeting. If a motion has already been seconded, the amendment shall be with the consent of the seconder and the meeting.

7. PAYMENT OF SALARIES

7.1. As an employer, the Council shall make arrangements to meet fully the statutory requirements placed on all employers by PAYE and National Insurance legislation. The payment of all salaries shall be made in accordance with payroll records and the rules of PAYE and National Insurance currently operating, and salary rates shall be as agreed by Council.

7.2. Payment of salaries and payment of deductions from salary such as may be required to be made for tax, national insurance and pension contributions, or similar statutory or discretionary deductions must be made in accordance with the payroll records and on the appropriate dates stipulated in employment contracts, provided that each payment is reported to the next available Council meeting, as set out in these regulations above.

7.3. No changes shall be made to any employee's pay, emoluments, or terms and conditions of employment without the prior consent of the Council.

7.4. Each and every payment to employees of net salary and to the appropriate creditor of the statutory and discretionary deductions shall be recorded in a separate confidential record (confidential cash book). This confidential record is not open to inspection or review (under the Freedom of Information Act 2000 or otherwise) other than:

a) by any Councillor who can demonstrate a need to know;

b) by the internal auditor;

c) by the external auditor; or

d) by any person authorised under Audit Commission Act 1998, or any superseding legislation.

7.5. The total of such payments in each calendar month shall be reported with all other payments as made, as may be required under these Financial Regulations, to ensure that only payments due for the period have actually been paid.

7.6. An effective system of personal performance management should be maintained for the senior officers.

7.7. Any termination payments shall be supported by a clear business case and reported to the

Council. Termination payments shall only be authorised by Council.

7.8. Before employing interim staff the Council must consider a full business case.

7.9. Mileage allowances shall be paid at the Employees' rate agreed by the Council.

8. LOANS AND INVESTMENTS

8.1. All borrowings shall be effected in the name of the Council, after obtaining any necessary borrowing approval. Any application for borrowing approval shall be approved by Council as to terms and purpose. The application for borrowing approval, and subsequent arrangements for the loan, shall only be approved by full Council.

8.2. Any financial arrangement which does not require formal borrowing approval from the Secretary of State (such as Hire Purchase or Leasing of tangible assets) shall be subject to approval by the full Council. In each case a report in writing shall be provided to Council in respect of value for money for the proposed transaction.

8.3. The Council will arrange with the Council's banks and investment providers for the sending of a copy of each statement of account to the Chair of the Council at the same time as one is issued to the Clerk or RFO.

8.4. All loans and investments shall be negotiated in the name of the Council and shall be for a set period in accordance with Council policy.

8.5. The Council shall consider the need for an Investment Strategy and Policy which, if drawn up, shall be in accordance with relevant regulations, proper practices and guidance. Any Strategy and Policy shall be reviewed by the Council at least annually.

8.6. All investments of money under the control of the Council shall be in the name of the Council.

8.7. All investment certificates and other documents relating thereto shall be retained in the custody of the RFO.

8.8. Payments in respect of short term or long term investments, including transfers between bank accounts held in the same bank, or branch, shall be made in accordance with Regulation 5 (Authorisation of payments) and Regulation 6 (Instructions for payments).

9. INCOME

9.1. The collection of all sums due to the Council shall be the responsibility of and under the supervision of the RFO.

9.2. Particulars of all charges to be made for work done, services rendered or goods supplied shall be agreed annually by the Council, notified to the RFO and the RFO shall be responsible for the collection of all accounts due to the Council.

9.3. The Council will review all fees and charges at least annually, following a report of the Clerk.

9.4. Any sums found to be irrecoverable and any bad debts shall be reported to the Council and shall be written off in the year.

9.5. All sums received on behalf of the Council shall be banked intact as directed by the RFO. In all cases, all receipts shall be deposited with the Council's bankers with such frequency as the RFO considers necessary.

9.6. The origin of each receipt shall be entered on the paying-in slip.

9.7. Personal cheques shall not be cashed out of money held on behalf of the Council.

9.8. The RFO shall promptly complete any VAT Return that is required. Any repayment claim due in accordance with VAT Act 1994 section 33 shall be made at least annually coinciding with the financial year end.

9.9. Where any significant sums of cash are regularly received by the Council, the RFO shall take such steps as are agreed by the Council to ensure that more than one person is present when the cash is counted in the first instance, that there is a reconciliation to some form of control such as ticket issues, and that appropriate care is taken in the security and safety of individuals banking such cash.

9.10. Any income arising which is the property of a charitable trust shall be paid into a charitable bank account. Instructions for the payment of funds due from the charitable trust to the Council (to meet expenditure already incurred by the authority) will be given by the Managing Trustees of the charity meeting separately from any council meeting (see also Regulation 16 below).

10. ORDERS FOR WORK, GOODS AND SERVICES

10.1. An official order or letter shall be issued for all work, goods and services unless a formal contract is to be prepared or an official order would be inappropriate. Copies of orders shall be retained.

10.2. Order books shall be controlled by the RFO.

10.3. All members and officers are responsible for obtaining value for money at all times. An officer issuing an official order shall ensure as far as reasonable and practicable that the best available terms are obtained in respect of each transaction, usually by obtaining three or more quotations or estimates from appropriate suppliers, subject to any *de minimis* provisions in Regulation 11.1 below.

10.4. A member may not issue an official order or make any contract on behalf of the Council.

10.5. The RFO shall verify the lawful nature of any proposed purchase before the issue of any order, and in the case of new or infrequent purchases or payments, the RFO shall ensure that the statutory authority shall be reported to the meeting at which the order is approved so that the minutes can record the power being used.

11. CONTRACTS

11.1. Procedures as to contracts are laid down as follows:

a. Every contract shall comply with these financial regulations, and no exceptions shall be made otherwise than in an emergency provided that this regulation need not apply to contracts which relate to items (i) to (vi) below:

i. for the supply of gas, electricity, water, sewerage and telephone/broadband services;

ii. for specialist services such as are provided by solicitors, accountants, surveyors and planning consultants;

iii. for work to be executed or goods or materials to be supplied which consist of repairs to or parts for existing machinery or equipment or plant;

iv. for work to be executed or goods or materials to be supplied which constitute an extension of an existing contract by the Council;

v. for additional audit work of the external auditor up to an estimated value of £500 (in excess of this sum the Clerk and RFO shall act after consultation with the Chair and Vice Chair of Council); and

vi. for goods or materials proposed to be purchased which are proprietary articles and/or are only sold at a fixed price.

b. Where the council intends to procure or award a public supply contract, public service contract or public works contract as defined by The Public Contracts Regulations 2015 ("the Regulations") which is valued at £25,000 or more, the council shall comply with the relevant requirements of the Regulations.

c. The full requirements of The Regulations, as applicable, shall be followed in respect of the tendering and award of a public supply contract, public service contract or public works contract which exceed thresholds in The Regulations set by the Public Contracts Directive 2014/24/EU (which may change from time to time).

d. When applications are made to waive financial regulations relating to contracts to enable a price to be negotiated without competition the reason shall be embodied in a recommendation to the council.

e. Such invitation to tender shall state the general nature of the intended contract and the Clerk shall obtain the necessary technical assistance to prepare a specification in appropriate cases. The invitation shall in addition state that tenders must be addressed to the Clerk in the ordinary course of post. Each tendering firm shall be supplied with a specifically marked envelope in which the tender is to be sealed and remain sealed until the prescribed date for opening tenders for that contract.

f. All sealed tenders shall be opened at the same time on the prescribed date by the Clerk in the presence of at least one member of council.

g. Any invitation to tender issued under this regulation shall be subject to Standing Orders 18d, and shall refer to the terms of the Bribery Act 2010.

h. When it is to enter into a contract of less than £25,000 in value for the supply of goods or materials or for the execution of works or specialist services other than such goods, materials, works or specialist services as are excepted as set out in paragraph (a) the Clerk or RFO shall obtain 3 quotations (priced descriptions of the proposed supply); where the value is below £3,000 and above £100 the Clerk or RFO shall strive to obtain 3 estimates. Otherwise, Regulation 10.3 above shall apply.

i. The council shall not be obliged to accept the lowest or any tender, quote or estimate.

j. Should it occur that the council, or duly delegated committee, does not accept any tender, quote or estimate, the work is not allocated and the council requires further pricing, provided that the specification does not change, no person shall be permitted to submit a later tender, estimate or quote who was present when the original decision-making process was being undertaken.

12. PAYMENTS UNDER CONTRACTS FOR BUILDING OR OTHER CONSTRUCTION WORKS

12.1. Payments on account of the contract sum shall be made within the time specified in the contract by the RFO upon authorised certificates of the architect or other consultants engaged to supervise the contract (subject to any percentage withholding as may be agreed in the particular contract).

12.2. Where contracts provide for payment by instalments the RFO shall maintain a record of all such payments. In any case where it is estimated that the total cost of work carried out under a contract, excluding agreed variations, will exceed the contract sum of 5% or more a report shall be submitted to the Council.

12.3. Any variation to a contract, or addition to or omission from a contract, must be approved by the Council and Clerk to the contractor in writing, the Council being informed where the final cost is likely to exceed the financial provision.

13. STORES AND EQUIPMENT

13.1. The officer in charge of each section shall be responsible for the care and custody of stores and equipment in that section.

13.2. Delivery notes shall be obtained in respect of all goods received into store or otherwise delivered and goods must be checked as to order and quality at the time delivery is made.

13.3. Stocks shall be kept at the minimum levels consistent with operational requirements.

13.4. The RFO shall be responsible for periodic checks of stocks and stores at least annually.

14. ASSETS, PROPERTIES AND ESTATES

14.1. The Clerk shall make appropriate arrangements for the custody of all title deeds and Land Registry Certificates of properties held by the Council. The RFO shall ensure a record is maintained of all properties held by the Council, recording the location, extent, plan, reference, purchase details,

nature of the interest, tenancies granted, rents payable and purpose for which held in accordance with Accounts and Audit Regulations.

14.2. No tangible moveable property shall be purchased or otherwise acquired, sold, leased or otherwise disposed of, without the authority of the Council, together with any other consents required by law, save where the estimated value of any one item of tangible movable property does not exceed £250.

14.3. No real property (interests in land) shall be sold, leased or otherwise disposed of without the authority of the Council, together with any other consents required by law. In each case a report in writing shall be provided to Council in respect of valuation and surveyed condition of the property (including matters such as planning permissions and covenants) together with a proper business case (including an adequate level of consultation with the electorate).

14.4. No real property (interests in land) shall be purchased or acquired without the authority of the full Council. In each case a report in writing shall be provided to Council in respect of valuation and surveyed condition of the property (including matters such as planning permissions and covenants) together with a proper business case (including an adequate level of consultation with the electorate).

14.5. Subject only to the limit set in Reg. 14.2 above, no tangible moveable property shall be purchased or acquired without the authority of the full Council. In each case a report in writing shall be provided to Council with a full business case.

14.6. The RFO shall ensure that an appropriate and accurate Register of Assets and Investments is kept up to date. The continued existence of tangible assets shown in the Register shall be verified at least annually, possibly in conjunction with a health and safety inspection of assets.

15. INSURANCE

15.1. Following the annual risk assessment (per Financial Regulation 17), the RFO shall effect all insurances and negotiate all claims on the Council's insurers.

15.2. The Clerk shall give prompt notification to the RFO of all new risks, properties or vehicles which require to be insured and of any alterations affecting existing insurances.

15.3. The RFO shall keep a record of all insurances effected by the Council and the property and risks covered thereby and annually review it.

15.4. The RFO shall be notified of any loss liability or damage or of any event likely to lead to a claim, and shall report these to Council at the next available meeting.

15.5. All appropriate members and employees of the Council shall be included in a suitable form of security or fidelity guarantee insurance which shall cover the maximum risk exposure as determined annually by the Council, or duly delegated Committee.

16. CHARITIES

16.1. Where the Council is sole managing trustee of a charitable body the Clerk and RFO shall ensure that separate accounts are kept of the funds held on charitable trusts and separate financial reports made in such form as shall be appropriate, in accordance with Charity Law and legislation, or as determined by the Charity Commission. The Clerk and RFO shall arrange for any audit or independent examination as may be required by Charity Law or any Governing Document.

17. RISK MANAGEMENT

17.1. The Council is responsible for putting in place arrangements for the management of risk. The Clerk shall prepare, for approval by the Council, risk management policy statements in respect of all activities of the Council. Risk policy statements and consequential risk management arrangements shall be reviewed by the Council at least annually.

17.2. When considering any new activity, the Clerk shall prepare a draft risk assessment including risk management proposals for consideration and adoption by the Council.

18. SUSPENSION AND REVISION OF FINANCIAL REGULATIONS

18.1. It shall be the duty of the Council to review the Financial Regulations of the Council from time to time. The Clerk shall make arrangements to monitor changes in legislation or proper practices and shall advise the Council of any requirement for a consequential amendment to these financial regulations.

18.2. The Council may, by resolution of the Council duly notified prior to the relevant meeting of Council, suspend any part of these Financial Regulations provided that reasons for the suspension are recorded and that an assessment of the risks arising has been drawn up and presented in advance to all members of Council.
